

# Aloha Acupuncture - Patient Information Sheet

Welcome! The information below is provided to assist you in questions you may have about your treatment, treatment structure and payment and insurance coverage.

The usual fee for treatment is **\$75 per session**; payment is due at the time of treatment. Payment arrangement can be made and would be made in advance. Should any billing arrangement be made, prompt payment of the bill is to be made, per agreement.

If you have insurance coverage for acupuncture, I will be glad to accept assignment. Annual deductibles (\$250-500), and or co-payments (\$15 – 30) are due each session. Please notify me immediately of any changes to your insurance coverage.

Clinic hours are Tuesday, Thursday, Friday and Saturday. An effective Acupuncture treatment plan begins with a 12 session treatment package following an initial consultation. Treatment hours are 30 – 45 minutes in length. There is a **\$25 cancellation fee** if a cancellation call is not given 24 hours in advance.

Expect to be given recommendations on herbal, dietary and exercise between sessions.

Recommendations assist the healing process and may be incorporated in your daily routine to promote optimal health and well-being.

I have read the information carefully and understand it. Further, I have received a copy of this patient information sheet on the date below.
